

3rd International Conference on AI & Civil Engineering (AICiViL 2025)

December 27 ~ 28, 2025, Dubai, UAE

<https://csitai2025.org/aicivil/index>

Scope

3rd International Conference on AI & Civil Engineering (AICiViL 2025) will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications impacts and challenges of Artificial Intelligence & Civil Engineering. The conference documents practical and theoretical results which make a fundamental contribution for the development of AI and Civil Engineering.

Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in NLP.

Topics of interest

- 3D Printing in Construction
- Architectural Theories, History
- Communications and Networks
- Artificial Intelligence in Civil & Architecture
- Civil Engineering and Materials
- Emerging Applications of Information Theory
- Civil Engineering Profession / Education
- Clean Technology Initiatives and Successes
- Computational Mechanics
- Computer Science & Civil Engineering
- Computer Simulation and CAD/CAE
- Construction and Renewable Energy Sources
- Construction Safety and Fire Engineering
- Datamining in Civil Engineering & Architecture
- Deep learning
- Developments and Innovations in Architecture
- Disaster Mitigation and Management
- Earthquake Resistant Design Practices
- Educational Topics in Civil Engineering and Architecture
- Engineering Polymers and Plastics
- Environment and Technology
- Environmental Engineering & Management
- Foundations in Problematic Soils
- Geo-Environmental Engineering
- GIS & Remote Sensing
- Health, Safety and Environment
- Infrastructure Engineering
- IoT and Real-time Monitoring
- Irrigation, Water Resources & Management
- Learning Systems
- Machine Learning
- Mathematical and Computational Analysis
- Modern Construction Materials
- Optimization
- Retrofitting / Rehabilitation of Structures

- Sustainable Development & Construction
- Architectural Design and Planning
- Transportation Engineering & Traffic Planning
- Urban Planning and Municipal Engineering

Paper Submission

Authors are invited to submit papers through the conference [Submission System](#) by **November 15, 2025**. Submissions must be original and should not have been published previously or be under consideration for publication while being evaluated for this conference. The proceedings of the conference will be published by [Computer Science Conference Proceedings](#) in [Computer Science & Information Technology \(CS & IT\)](#) series (Confirmed).

Selected papers from **AICiViL 2025**, after further revisions, will be published in the special issue of the following journals

- [Advances in Engineering: An International Journal \(ADEIJ\)](#)
- [International Journal of Computer-Aided technologies \(IJCAx\)](#)
- [International Journal of Artificial Intelligence & Applications \(IJAlA\)](#)

Important Dates

Third Batch : (Submissions after November 10, 2025)

- **Submission Deadline : November 15, 2025**
- Authors Notification : December 15, 2025
- Registration & Camera-Ready Paper Due : December 22, 2025

Contact Us

Here's where you can reach us : aicivil@csitai2025.org or aicivilconf2025@gmail.com
